

INSTRUCTIONS FOR RETURNING HI-CONE PLASTIC RINGS

1. Take a box you can reuse, a box used for copy paper works well. Fill the box to capacity (could take 2 or 3 filling of your tree to completely fill the box).

2. When the box is completely filled, put one of the merchandise return labels on it; **be sure to fill in your name, return address including zip code and Customer Number.**

Give the box to your mail person or take it to your local post office. The label tells the post office we are paying the return postage.

It's that simple.

We thank you for your interest and help. Should you have any additional questions, please call us at 630-438-5208 or e-mail us at itw@ringleader.com. Hope you have a chance to visit our web site at www.ringleader.com.
